**ORDER**

On June 5, 2023, it was recommended that this action be dismissed for failure to timely serve the defendant after the plaintiff failed to respond to two orders to show cause why the defendant had not or could not be served. (See doc.11.) After the recommendation was docketed, an *Affidavit of Service* that had been filed on June 2, 2023, was docketed. (See doc. 12.) Because the plaintiff has now filed proof of service on the defendant, the recommendation that the case be dismissed for failure to timely serve the defendant is hereby **VACATED**.

**SO ORDERED this 6th day of June, 2023.**
